Please ensure that the following documentation is provided with this application:

- 1) Confirmation of the charity's existence with the Charity Commission/Office of the Scottish Charity Regulator (OSCR) or equivalent governing body. A printout from the applicable charity governing body's website is acceptable.
- 2) Evidence to confirm which trustees/officials (the 'lead trustees') have been appointed by the charity to act on its behalf in relation to its investments. For example, minutes from either an AGM or regular trustee meeting or a Declaration of Power.
- 3) If the charity is classed as either a Charitable Incorporated Organisation (CIO), Charitable Trust, Charitable Company or Unincorporated Association, a copy of the charity's applicable governing document, such as a trust deed, constitution or memorandum and articles of association.

We will also require the following:

- 1) Anti-money laundering documentation for the lead trustees that will be the points of contact with Hawksmoor. This may be either a certified copy of a current valid passport photo page or driving licence photo card. The delegated Investment Manager can provide more details.

BEFORE COMPLETING THIS FORM, THE TRUSTEES SHOULD READ THIS PAGE

This *Account Application Form* ensures that we are aware of the trustees requirements so that we have the essential information to provide the level of service suitable for the charity, and to set up and operate an Account for the trustees.

The information the trustees provide will be treated in the strictest confidence and will only be used by Hawksmoor to enable us to provide a suitable service to the trustees and to comply with the relevant tax reporting regulations. If the trustees do not complete the form in full or do not keep us informed of any significant change to the circumstances pertaining to the charity, the trustees should be aware that the portfolio may be inappropriate to the charity's risk level and/or investment objective.

Once we have a completed and signed copy of this form, and have satisfied our obligations under the anti-money laundering legislation, the Agreement between the charity and Hawksmoor comes into effect.

The charity's investments will be held in a nominee account provided by a specialist third-party provider of settlement and custody services, also authorised and regulated by the Financial Conduct Authority. More details, including the terms & conditions of the third-party provider's services, can be found in the Hawksmoor *Terms and Conditions* document.

Occasionally, we shall ask the trustees to confirm and, if necessary, update the information in this form. In the meantime, it is important that the trustees notify us of any change to the circumstances pertaining to the charity that they consider may be material to our management of the charity's investments.

3. Investment Objectives and Risk

In order to satisfy their responsibilities under the Trustee Act 2000 and guidance issued by the Charity Commission as well as to ensure their delegated Investment Manager has all the information necessary to manage the portfolio, the trustees should have agreed and adopted a formal Investment Policy Statement.

Please tick this box to confirm you have provided us with a copy of the Charity's Investment Policy Statement (we can provide you with a template Policy Statement if required).

The Charity's Investment Policy Statement should indicate the Investment Objective and Risk Level that the trustees have adopted and require. Please see the document *Explaining Your Portfolio* for more details. In addition, the *Suitability Report* to the trustees will recommend a suitable Investment Objective and Risk Level.

Please tick this box to confirm you have received and approved a *Suitability Report*.

Please confirm the trustees' preferred Investment Objective and Risk Level by ticking the appropriate boxes below.

An annual percentage payment of	%

If the trustees choose regular fixed payments, such distributions may consist of a combination of income and capital. If we receive instructions to withdraw capital from the portfolio, whether as part of a regular fixed payment or as a separate capital payment, we will assume that the trustees have the appropriate power to advance capital and have validly exercised it.

This is the only account into which we will pay any distributions that the lead trustees request us to make from the portfolio. Key Definitions (extract)

1. UK Tax Regulations

The term “UK tax regulations” refers to HMRC regulations created to enable automatic exchange of information and include US FATCA², and other Agreements to Improve International Tax Compliance³ entered into between the UK and its Crown Dependencies and its Overseas Territories and the OECD Common Reporting Standard for Automatic Exchange of Financial Account Information.

2. US FATCA

The Foreign Account Tax Compliance provisions (commonly known as FATCA) contained in the US HIRE Act 2010.

3. Agreements to Improve International Tax Compliance

HMRC has signed agreements to implement regulations in 2015 on the reciprocal reporting on accounts held by residents of the Isle of Man, Guernsey, Jersey and Gibraltar. Multilateral agreements with a further 51 countries on the exchange of tax information for non-resident account holders have been signed with implementation expected by 2017.

4. Exempt Beneficial Owner

The term “Exempt Beneficial Owner” includes certain entities as defined in the regulations, **including UK registered pension schemes**, or non-UK pension schemes falling within the FATCA definition.

5. Financial Institution

The term “Financial Institution” means a Custodial Institution, a Depository Institution, an Investment Entity or a Specified Insurance Company as defined in the regulations.

6. Participating Foreign Financial Institutions

A Participating Foreign Financial Institution, is a non US Financial Institution that has or will register to obtain a Global Intermediary Identification Number (GIIN) from the US tax authorities and reports to HMRC direct.

7. Trustee Documented Trust

If a Trust has a corporate trustee then under the UK regulations the Trust is a “Trustee Documented Trust” and the corporate trustee is responsible for the registration of the Trust and associated reporting.

8. Deemed Compliant Foreign Financial Institution – Registered Charity

UK registered charities are specifically excluded from any registration or reporting requirements.

9. Deemed Compliant Foreign Financial Institution

There are 3 categories of Deemed Compliant Foreign Financial Institutions and within each there are several sub categories which are unlikely to apply to a UK trust, further details of these sub categories are contained in the HMRC Guidance. The most relevant sub categories are:

- (i) Owner Documented Foreign Financial Institutions, this includes UK Trusts that are small investment entities not connected to any other Foreign Financial Institutions. The Trust must appoint another Foreign Financial Institution to act as the Designated Withholding Agent to complete due diligence and to report, if necessary, to the US tax authorities via HMRC. The Designated Withholding Agent also reports US tax status to US paying agents where appropriate, but has no further responsibility for US withholding tax.
- (ii) Registered Deemed Compliant Financial Institutions include Sponsored Investment Entities that may include UK trusts. For this subcategory the Trust appoints a Sponsor who registers the Trust and relevant details with the US tax authorities and undertakes all due diligence checks and reports to the US tax authorities via HMRC as appropriate.
- (iii) Certified Deemed Compliant Financial Institutions include Sponsored Closely Held Investment Vehicles that may include UK Trusts which do not have more than 20 owners (effectively the beneficiaries) and is not an investment fund. For this subcategory the Trust appoints a Sponsor to undertake all due diligence checks and report on to the US tax authorities via HMRC, but the Trust does not have to be registered.

10. Active Non-Financial Foreign Entity (NFFE) (US definition)

A NFFE is a foreign entity that is not a Financial Institution and does not have a professional manager or investment manager. It is considered unlikely that any Hawksmoor client can meet this definition.

For the purpose of section B only, an Active NFFE is any NFFE that meets one of a list of specified criteria including:

- (i) less than 50 per cent of the NFFEs gross income for the preceding calendar year or other appropriate reporting period is passive income (such as dividends, interest, royalties, annuities and rent) and less than 50 per cent of the assets held by the NFFE in period are assets generating passive income;
- (ii) substantially all of the activities of the NFFE consist of investing in, or providing financing and services to, one or more subsidiaries that engage in trades or businesses other than the business of a Financial Institution. However the entity will not qualify as an Active NFFE if it functions (or holds itself out to be) an investment fund, or any Investment Vehicle whose purpose is to acquire or fund companies and then hold interests in those companies as capital assets for investment purposes. In these circumstances the entity will be a passive NFFE;
- (iii) the NFFE is organised in a U.S Territory and all the owners of the NFFE are bona fide residents of that U.S. Territory; or
- (iv) the entity is a Non-Profit Organisation¹⁵.

11. Passive Non-Financial Foreign Entity (NFFE) (US definition)

For the purpose of **section B only**, a Passive NFFE is any NFFE that is not an Active NFFE¹⁰.

12. Controlling Persons

The term “Controlling Persons” means the natural persons who exercise control over an Entity. In the case of a trust, such term means **the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. Details of Discretionary beneficiaries are only assessed for any year in which they receive a payment or income from the trust.**

13. Active Non-Financial Foreign Entity (NFFE) (Other tax regulations)

An entity will be an Active NFFE for the purpose of **section C only** if they meet one of the specified criteria (i) to (iii) in the definition of Active NFFE (US definition)¹⁰ above.

14. Passive Non-Financial Foreign Entity (NFFE) (Other tax regulations)

For the purpose of **Please find C only** a Passive NFFE is any NFFE that is not an Active NFFE (UK definition)¹³.

15. Non-Profit Organisation

The term “Non-Profit Organisation” means an entity that meets ALL of the following criteria:

- (i) It is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
- (ii) It is exempt from income tax in its country of residence;
- (iii) It has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
- (iv) the applicable laws or the entity’s constitution do not permit any income or assets of the entity to be distributed to, or applied for the benefit of, a private person or non-charitable entity other than pursuant to the conduct of the entity’s charitable activities, or as payment of reasonable expenditure or the organisation; and
- (v) the applicable laws or the entity’s constitution require that, upon the entity’s liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organisation.

16. Investment Entity

An entity is an Investment Entity if, either

- a) At least 50% of gross income is derived from one or more of the following activities
 - Trading in transferable securities or commodities futures
 - Trading in money market instruments
 - Trading in foreign exchange
 - Trading in interest rate and index instruments
 - Individual and collective portfolio management
 - Other investing, administration or managing funds or money on behalf of other persons

or

- b) gross income is primarily attributable to investing or trading in financial assets (financial assets test) and the entity is managed by a Financial Institution.

The above definitions are a summary of the full set of definitions, which is available on request. If there is any doubt as to the tax status of the entity please contact your tax adviser.

In certain circumstances (including if we do not receive a valid self-certification from you) we may be obliged to share information on your account with HMRC.
